# 196 LEGACY SCHOLARSHIP 2 0 2 6

## ABOUT 19SIX

Founded in 1906, 19six is one of California's most established and enduring architectural firms. Recognized for award-winning design excellence and a deep commitment to community impact, we provide integrated architecture, structural engineering, interior design, and planning services across multiple markets—including education (K-12, community college, and higher education), healthcare, performing arts, civic, housing, and hospitality. At 19six, we work as an extension of our clients, partnering with them to shape environments that foster connection and growth.

## LEGACY SCHOLARSHIP

Established in 2023, the 19six Legacy Scholarship supports California students pursuing studies and careers in Architecture, Architectural/Structural Engineering, or Interior Design. Through this scholarship, 19six is proud to invest in the next generation of design professionals and foster opportunities for future leaders to excel.

# SCHOLARSHIP CRITERIA

**PURPOSE:**

The 19six Legacy Scholarship provides financial support to students pursuing studies in Architecture, Architectural/Structural Engineering, or Interior Design. Applicants should demonstrate strong academic performance, a genuine passion for their field, financial need, and clear post-graduation goals.

Scholarship recipients will participate in an eight-week collaborative paid internship at a mutually agreed-upon office location, subject to office needs and capacity.

**ELIGIBLE STUDENT CRITERIA:**

- Currently attending a UC, CSU, or Private California University.
- Architecture students must be in their 3rd or 4th year and entering their 4th or 5th year of the program.
- Architectural/Structural Engineering and Interior Design students must be in their 3rd year and entering their 4th year of the program.
- Maintain a cumulative GPA of 3.0 or higher.

**AMOUNT:****\$2,000 Scholarship**

The review panel may award up to three (3) scholarships.

Scholarships will be disbursed in two installments: \$1,000 in August 2026 and \$1,000 in December 2026.

**CONSIDERATIONS:**

Consideration will be given to applicants' academic achievements, passion for their design discipline, financial need, and post-graduation aspirations within the fields of Architecture, Architectural/Structural Engineering, or Interior Design.
